### short-row heel

Put non-heel sts of 2. and 3. ndl on a separate needle. You only work with sts of ndl 1 and 4.

1.R: k

2.R: (wrong side) work a double stitch (ds):

i.e.: bring yarn to front of work, slip stitch purllwise, therby draw yarn tightly backwards, sts spins around the ndl and you see now 2 sts.

p next sts

3.R: (right side) work 1. sts as dS, k rest of sts, do not work the dS, but put it on a separate needle.

rep 2. and 3. R. till you have one third of sts on each ndl.

dont work the dS thereby, that way sts and R get shorter

now you have 3 ndl with one third on each and you have the non-heel sts resting on a separate ndl.

work one R in stockenette over all sts (also the non-heel ones).

thereby slip stitch all dM knitwise

Put non-heel sts of 2. and 3. ndl on a separate needle.

work the following over sts of ndl 1 and 4.

1.R: k sts of middle third

2.R: work 1. sts as dS, p rest of sts of middle third.

3.R: work 1. sts as dS, k rest of sts, k dS and k the next st of the second third

4.R: work 1. sts as dS, p rest of sts, p dS and p the next st of the third third, turn

rep 3. and 4. R. till sts are on one ndl

distribute sts again onto 4 ndls
